REPORT OF THE NORFOLK COUNTY ROAD SYSTEM

To the Warden and Members of the County Council of the County of Norfolk.

Gentlemen: I hereby beg leave to submit to you my twenty-eighth annual report on the Norfolk County Road System.

The expenditure by-law passed by the County Council at the January Session in 1944 for an expenditure on the County Road System of \$170,000. was submitted to the Department of Highways and approval of the same was received.

The estimates of the County Road Committee were approved at the May Session of the County Council and the greater part of the estimates were carried out. Some modifications were necessary and it is regrettable that the work on Road 4 in Middleton could not be proceeded with.

The following is a schedule showing the estimated cost and the actual expenditure on the various work proceeded with during the past year:

Road No.	Location	Estimated Mileage	Estimated Cost	Actual Mileage	Actual Cost
3	East of Villa Nova	.1	\$ 500.	.1	\$ 435.97
7	In Charlotteville	.5	2500.	.7	3575.73
7	In North Walsingham	.5	2500.	.5	2905.89
8	North of Walsingham Centre	.5	3000.	.6	3836.81
8	Corner N & S of Langton	.5	3300.	.6	3669.38
8	In Middleton	.8	5000.	1.2	6495.17
9	In South Walsingham	2.5	15000.	2.75	15695.66
10	North of Road 9	.2	1200.	.2	1184.61
14	In Windham-Bolls Corner	.05	500.	.05	291.75
15	From Renton to Brant line	.8	3700.	.85	2908.97
15	Renton southerly	.1	1000.	.1	854.25
18	From K. Highway 24 to County Road No. 2	.6	2400.	.75	2614.35
Total		7.15	\$40600.	8.40	\$44468.54

Estimated cost per mile \$5,678.32, actual cost per mile \$5,293.87.

In addition to the mulch work, 1.7 miles of Stabilization 6" deep was completed on Road 7 north of Fairground at a cost of \$8447.99, being \$4969.40 per mile.

During the past season the County organization also built approximately 3 miles of mulch 16' wide in Long Point Park, .2 miles in the Village of Port Rowan, and .2 miles for the Village of St. Williams.

The materials used in the County work plus the other work done by the organization had a total tonnage of 22,700 tons. These materials were mixed by the Walters 120 truck at a cost of \$2364.21 or 10.415 cents per ton. It must be remembered that these materials were mixed 10 times which means that the truck moved 227,000 tons in the process of mixing at a cost of slightly over one cent per ton of material moved. During 1944 this truck worked 2151 hours at an average cost of \$2.41 per hour. This cost includes all expenses with the exception of depreciation.

Retreatments are as follows:

Road No.	Location	Estimated Mileage	Estimated Cost	Actual Mileage	Actual Cost

		68.2	\$45500.	71.05	\$39296.34

Estimated cost per mile \$667.16, actual cost per mile \$553.08.

Regrading and gravelling of two concessions on Road 11, south of road 7 was done at a cost of \$5492.17.

A small amount of weed spraying was proceeded with but had to be discontinued owing to a shortage of labor. 60 miles was sprayed at a cost of \$1225.05.

The snow storm which struck the southern part of this Province on December 11th and continued almost unabated until the 4th of January, proved the insufficiency of snow fighting machinery owned by the County. The two side delivery plows were almost useless, the Walters 80 is 20 years old, so the Walters 120 has been called upon to do the major part of the work and even this machine has had its breakdowns.

During the December Session the County Road Committee ordered an Austin Western Motor Grader, and on January 2nd, a snow plow was ordered to attach to this grading machine. Application has been made to the Wartime Prices and Trade Board for delivery of same.

The total cost of snow removal in 1944 was \$4880.89. \$3166.80 of this amount was incurred from December 12 to December 31st.

The following is a summary of the County Road Books to be submitted to the Department of Highways for subsidy on the work of 1944:

I desire to express my thanks to the Road Committee and County Council for their co-operation and assistance during the past year. I also desire to express my thanks to the Foremen and all the Employees for their efforts on the System and especially during the recent storms when they willingly worked long hours in an endeavour to open the roads of the System. Mrs. Klitzke has kept the County Road books in her usual skilful manner.

I regret to report the death of Billy Bauslaugh, an employee of the County Organization, who was killed on December 23rd, while carrying out his duty as a truck driver.

All of which is respectfully submitted. I have the honor to be, Gentlemen,
